Disclaimer:

This is the Airbus Canada Limited Partnership (Airbus Canada) list of Aerospace Suppliers (including all airborne parts and appliance suppliers). **This Approved Suppliers List is only applicable to the A220 Program.**

Publication of this neither engages Airbus Canada in any contract relationship/responsibility nor allows automatic contract authorization, ordering, etc.

Suppliers remain liable for fully managing their relationship with sub-tiers.

For any further information, please contact directly your Airbus Canada quality responsible.

Blue table list suppliers status with approved classification per ASQR 4.6.
Green table lists suppliers approved for controlled processes.

*Document revised in October 2020 to remove "Orange" table for inactivated suppliers.

AVERTISEMENT:

Voici la liste des fournisseurs aérospatiale de la Société en Commandite Airbus Canada (y compris tous les fournisseurs de pièces et d'appareils en vol). **Cette liste de fournisseurs approuvés s'applique uniquement au programme A220.**

La publication de cette information n'engage ni Airbus Canada dans aucune relation / responsabilité contractuelle, ni ne permet l'autorisation automatique du contrat, la commande, etc.

Les fournisseurs restent responsables de la gestion complète de leurs relations avec les sous-niveaux.

Pour toute information complémentaire, veuillez contacter directement le responsable de la qualité d'Airbus Canada.

Le tableau bleu indique le statut des fournisseurs avec la classe approuvée selon ASQR 4.6.
Le tableau vert liste les fournisseurs approuvés pour un/des processus contrôlé(s).

*Révision du document en octobre 2020 pour retirer le tableau "Orange" des fournisseurs inactivés.
